Biography and Students' Achievements

I have over 20 years of skating experience and have been coaching since 2004. I have competed in 8 Adult National Championships earning 6 medals. I started figure skating as a teenager and as an Adult learner have developed a strong technique for teaching Moves in the Field, Jumps, Spins and Ice Dance.

I am available to teach private lessons to students of all ages from the Beginner to Senior/Gold levels of Moves in the Field, Freestyle and Ice Dance. I have choreographed for numerous ice shows in Pulaski, Oswego and Cicero. I have also coached and choreographed for Adult National competitors as well as singles skaters who have competed at the Empire State Games and State Games of America.

My students have won medals at the Empire State Games, State Games of America, Adult National Championships, Adult Sectional Championships and numerous Gold medals at state-wide competitions in Freestyle and Solo Dance events.

I am on staff with the Skating Club of Central NY and the Oswego FSC. I have also guest coached at other clubs in the region including the Syracuse FSC, Skaneateles FSC, Camillus FSC and Fulton FSC.
