PERSONAL

I am from Syracuse, NY and I have been skating for 16 years for the Skating Club of Central New York. I have three USFSA gold medals in Moves in the Field, Ice Dance and Senior Solo Free Dance as well as one Canadian medal in Ice Dance. I have participated in Synchronized Skating for 13 years and have traveled to various locations for competitions. I have been assisting/coaching Learn to Skate for the SSCNY for nine years. I developed my love for coaching from my former coach Renee Epps who passed away when I was 12 years old. She inspired me to pursue coaching and share my passion for the sport with others.
